

Dear Parents,

Throughout the month of July, we are doing a princess series right after church on Sundays to help girls 8 and older learn their worth.

All through July, our girls ages 8 and up will be staying after service to hear about how they are princesses in the Lord. They will be learning to shower regularly and how to keep clean. They will learn the importance of wearing deodorant, brushing their teeth, and taking care of their hair. They will learn how to take care of themselves as daughters of the King.

We would love for your daughter to stay after church and learn these vital skills. She will come home with some small gifts to help her continue these habits at home. Please encourage her to keep working on these things. ☺

If your daughter is unable to attend, please fill out the slip below so that we know she needs to ride the bus home at the end of service. If you do not submit a slip, we will have her stay after church to attend the program each Sunday in July. We will provide lunch for all of the girls attending and hope to have them to the buses and on their way home no later than 3:00 PM.

Thank you so much for investing in your child's faith. We appreciate you!

Sincerely,

Faith Community Church of God
